Payment Policy: 50% of fees are required at sign up. Clinic must be paid in full 60 days prior to start date or the reservation may be turned over to the next applicant on the waiting list. Payments must be made to JRD Horsemanship, 454 North Tacoma Street, Farmington, AR 72730. Contact JRD Horsemanship at 386-249-1742 for more details.

Cancellation Policy: JRD Horsemanship reserves the right to cancel a course due to unforeseen circumstances beyond our control. Such decisions will be made at least two weeks before the scheduled course date. If a course is cancelled by JRD Horsemanship, you will be entitled to a full refund or the option to transfer to another date.

Refund Policy:

- **Cancellation 90 days before the clinic:** 50% deposit refunded.
- **Cancellation 90-30 days before clinic:** 25% deposit refunded less \$250 administration fee.
- • **Cancellation 30 days or fewer before clinic:** No refund.

The same horse and rider combination who sign up for the clinic is the only horse and rider team to participate throughout the duration of the clinic. If you decide to not participate in the clinic, or are unable to complete the clinic, no one else can participate in the clinic with your horse. This rule is in place to ensure that all clinic participants receive the best instruction possible. Those who enter the clinic late will not know all of the same information everyone else in the class has received up to that point.

Check In: Day before clinic starts from 2-5 pm or morning of at 8:00 am. Please let me know what day you plan on checking in (386-249-1742 or jeff@downunderhorsemanship.com).

Clinic Structure: Clinics typically go from 9 to 5 with a two hour lunch break. We offer extra help before and after the clinic each day to make sure everyone is getting the help that they need. Any clinic being taught at a level beyond the Fundamentals, will require several days of review on the previous level. This will

ensure that all horses and riders are ready to proceed to the next level as a group.

Clinic Requirements and Checklist

The Clinics will cover the exercises featured on Clinton Anderson's **training DVDs**. You must be able to answer yes to all of the questions below before you can sign up for the Clinic. *Important Note: If you do not meet the clinic requirements, you will be asked to leave the clinic without refund.*

My Personal and Horse's Ability

Yes or No	I am 18 years of age.
Yes or No	I understand that this is a physically demanding clinic. I am healthy and able to participate in the clinic.
Yes or No	I understand I will be responsible for the health, care, cleaning stalls and feeding of my horse throughout the entire clinic.
Yes or No	I am participating with a horse, not a donkey, or mule.
Yes or No	My horse is a mare or gelding.
Yes or No	My horse is not a stallion.
Yes or No	My horse that I am participating on has had at least 60 rides. This is to ensure that your horse is prepared for the clinic. It's important for your safety, other participants' safety, your horse's well being and your education that the horse you bring to the clinic is well-prepared.
Yes or No	My horse is reasonably manageable, both on the ground and under saddle.
Yes or No	I understand that the Professional Clinician will not be able to spend extra time with my horse to the point of disrupting the rest of the class. Keep in mind that there are 14 other participants in the clinic who are there to learn and advance their knowledge of the Method. The Professional Clinician cannot stop the clinic to give one person who is afraid to canter a private lesson. The Professional Clinician's job is to spend my time as evenly as possible between all participants and help everyone. Be honest with yourself when you're assessing the horse you plan to bring to the clinic.

There are specific issues or concerns I have regarding my riding ability or my horse's ability. These are detailed below:

Clinic Application

Required Equipment

Yes or No	I understand that I need to have the following equipment in order to participate in the private lesson. I understand that the Professional Clinician will not bring product that is available for purchase.
Yes or No	Riding boots. Proper riding boots with a heel are required. No flip flops, tennis shoes or footwear other than approved riding boots will be allowed in the arena.
Yes or No	Downunder Horsemanship Rope Halter and 14' Lead Rope.
Yes or No	Handy Stick and String 4ft stick with detachable 6ft string.
Yes or No	Bridle with Snaffle Bit and Chin Strap (Mecate Reins or Loop Reins with a Spanker are highly recommended). NO SHANK BITS
Yes or No	Well fitting saddle and saddle pad with correctly sized girth.
Yes or No	Extra girth in a smaller size in case your horse loses weight over the duration of the clinic. Most horses shed a few pounds throughout the clinic, so be sure to bring an extra girth that is 2 to 4 inches shorter than your original girth. That way you're prepared and can still participate in the clinic.
Yes or No	Long Line required for Intermediate and Advanced Clinics.

Required Documentation

Yes or No	I agree to bring with me a photocopy of my horse's current negative Coggins test. This copy will be retained by JRD Horsemanship permanently.
Yes or No	I agree to bring with me a photocopy of my horse's current Health Certificate. This copy will be retained by JRD Horsemanship permanently. Important Note: <i>There will not be a photocopier at the clinic. Please have your horse's documentation copied prior to the clinic.</i>

By signing here I certify that I have read the requirements and information presented to me by JRD Horsemanship and I understand that falsification of any information may result in my expulsion from the clinic without a refund.
